

01/12/2025

Trolley for accessories, small parts and tools, servicing the assembling workstations.

TECHNICAL SHEET

01/12/2025

Support surface with stand

The inclined support surface is equipped with an inclined stand that allows for the positioning of working hills

Drawers

A series of convenient bins allow for the storage of small parts in a simple and orderly manner for easy identification of items.

Pneumatic system

Quick-connect tap that ensures complex air supply with ease.

Pivoting wheels

Equipped with 4 pivoting wheels with brakes, they ensure a high degree of mobility and easy handling of the object. Locking the braking units allows their position to be fixed near different work areas.

FOCUS C4 / PROFESSIONAL TROLLEYS
